**AMENDMENT #1**  
To the  
**REQUEST FOR PROPOSAL**  
For the  
**NEIGHBORHOOD STABILIZATION  
PROGRAM**

To all prospective Proposers, please be advised of the following changes to the RFP:

- A. The deadline for submitting proposals has been extended from June 10, 2009 to **Friday July 31, at 12:00 p.m. (noon)**.
- B. For a property to be eligible for funding, it must be vacant. Furthermore, the vacancy must not have occurred because of the prospect of receiving funding from this RFP. (i.e. the NSP funds must not result in any displacement or relocation of occupants of buildings purchased with NSP funds).
